

General Liability, Workers Compensation, Tool Coverage, Business Auto, and Other Property Coverages designed especially for NC Plumbing Contractors

When it comes to plumbing insurance, you require an agent with extensive experience in plumber's insurance because your business insurance needs are complicated and unusual and a one size fits all approach could leave you with dangerous insurance gaps.

Our special Plumbing Insurance Program for North Carolina plumbers is designed to help you get the best possible protection at the lowest price. This unique program for plumbers can handle your general liability insurance, your workers compensation insurance and your equipment and tools insurance coverage as well as your business auto insurance policy for your trucks and other vehicles.

We understand plumbers and we speak your language. Whether your business is residential, commercial, new construction or repairs, we will help you get the most out of your audit process for both your general liability insurance and your work comp insurance. We know exactly which classification codes will give you the best protection while saving you the most money on your plumber liability policy and your plumber workers compensation policy. And while we offer you the experienced advice and help of agents with many years of experience insuring plumbing companies, we don't charge you a single dime for our time and our experienced advice to help you through the complicated process of making sure you have the right policies and the right protection. Try asking your accountant or your attorney for an in depth review at no charge. Good luck. And since we currently insure so many plumbing companies all across North Carolina, we can have your insurance quotes ready for you with lightning fast speed. Usually we can have you a firm insurance quote on all of your policies in 9 minutes or less. Of course we will take as much time as you need or want to fully understand your policies and to answer any and all questions that you -have. Don't trust your plumbing insurance to and agent who doesn't already insure dozens of plumbing companies. Call us today, toll free, at 877-687-7557 for a free risk review and policy quote.
