Special Restaurant Insurance Program For Fine Dining Establishments in North Carolina & South Carolina

You're a Fine Dining Establishment with special needs and coverage differences that don't apply to the run of the mill generic restaurant.

Are you tired of paying outrageous Liquor liability rates simply because your Food to Alcohol percentage of sales doesn't fit into some insurance companies "cookie cutter" formula?

Last, but not Least...what is your current agent doing to help put more money to Your Bottom Line? I don't mean just controlling the cost of insurance, but value added programs that help you put more "Butts in the Seats". We have an arsenal of Restaurant Marketing information from in restaurant "4 Walls" marketing to Direct Mail, Loyalty Programs, promotions...the list goes on and on This Treasure Trove of information is there for the taking, exclusively for our clients.
