This \$49.95 book is offered free to any client of Clinard Insurance Group.

**GPS Tracking Device** - Would you like to know where your child is driving at any time? Or perhaps you would just like to receive a phone call and email notice when your child arrives at school safely or to a friend's house at night. This device can be installed in your car at a 40% discount if you are a client of Clinard Insurance. In addition, it can help you cut the insurance rates on your child's vehicle by up to 10%.
